OK. I left our Region 8 contact for this contract, Maureen O'Reilly, a message about this. She said she would get back to me soon with a status update...

May need to delay the call a bit re contracting.

Ah, yes. I did know that, though thought it had been resolved. We'll keep our fingers crossed...

As you may know, the conflict contract for the EPA changed or is in the process of changing right now. I am awaiting a new contract and have informed them we need to process the contract soon. This contract was designated to be transferred quickly.

Also, I forgot to ask: Are you able to find someone as part of your contract to take meeting notes at these meetings? I think we need to start documenting these.

**Subject:** VB/I-70 Quarterly Stakeholder Meeting

Hi there! Are you ready for the next VB/I-70 Quarterly Stakeholder/CAG meeting? It's set to be on Tuesday, Sept. 17, 5:30-7:30. I don't yet have a place confirmed but will soon. Shall we have a call next week to plan? I could do Tuesday, Sept. 3 at 2:00 or Wed. Sept. 4 any time.... If neither of those work, it will have to be either Monday or Tuesday September 9 or 10.

Just let me know...

Thanks,

-jc
